If only I could see you once again.
Maybe then, I will finally be able to rest.
Hope is the only answer I currently seek.
Will you be there for me when I awake?

My past fears within me.
I can't be the only one here.
Will you stand by me when I call for you?
My friend, my loveâ€¦je t'aime.

Won't you hold me in this constant fight?
I make a phone call to you, but there's no answer.
Subete ai gaâ€¦ I hold it close to my heart.

I am here for you.
Can't you hear me when I call for you?
Fear, hate, ambition, is that all I have to endure?
What about the future?
Emptiness can't be all that's left.
Come save me.
Tasukete.

My fears, my liesâ€¦I wait for you. Hello.

Won't you hold me in this constant fight?
I make a phone call to you, but there's no answer.
Subete ai gaâ€¦ I hold it close to my heart.

This life is full of heartache.
With no salvation found here.
A field of wildflowers surrounds me.
So here I stand, waiting for it all to resolve.

My DREAMS, my nightmaresâ€¦wait for me.

If only I could see you once again.
Maybe then, I will finally be able to rest.
Hope is the only answer I currently seek.
Will you be there for me when I awake?
My friend, my loveâ€¦je t'aime, je t'aime, je t'aime!

Won't you hold me in this constant fight?
I make a phone call to you, but there's no answer.
Subete ai gaâ€¦ I hold it close to my heart.

Subete ai gaâ€¦ I hold it close to my heart.

This was all made for you.
