Corneas misted
Put put put put
Color high
Put put put
Motionless
Put put put put
For seconds at a time
A hand that is cold in another colder
Put put put
And everything
Put put put put
within reach
This is a waltz for a dodo
A samba for Bambi
Gavotte for the Kaiser
Bolero for Beuys
A reel for Red Rosa
A polka for Tintin
Corneas misted
Put put put
Color high
Put put put
Motionless
Put put put put
One hand that is cold in another colder
Put put put
And everything
within reach
