Durupaparara...
I'll be your game
To understand
I'll be your game
We love the game
I'll be your game
To tell you..tell you...
'Cause everything I know this
I'll be your game
Durupaparara...
Woke up this morning
And this moonlife
Easy come
I think that your older reason why... oooh...
I gonna make it
Find my eyes has gonna away
Who is me produced but now won't time, oooh...
You play the feeling is over time
It's just to feelin' to show what deep inside...
I'll be your game
To understand
I'll be your game
We love the game
I'll be your game
To tell you..tell you...
'Cause everything I know this
I'll be your game
To understand
I'll be your game
We love the game
I'll be your game
To tell you..tell you...
I'll be your game...
Durupaparara...

Body if long you stay with me
You gotta change your wait to be, oooh...
Stop playin' the feeling is over time
Beginning to see will have guy on my mind...
