She takes a swim then takes a dive
She takes a swing and she can hit
Muddy water
Dirty ditch
Take a swim and walk with me,
make a steal, the Christmas Tree
Hold the water, hold my hand
Takes its time and time again
Oh, there is no reason
time to go, oh there is
no reason, play the show
oh there is no reason
Desperation #5
She takes a swim then
takes a dive
She tries to hold her, hold
her hand, then down the muddy
hand again...
