When your roof, it drags me down, drags me down  
I've become the painted clown, I'll paint your town  
When your roof it tears me down, wears me down  
You stare me down

Down, down, down, down  
Down, down, down, lady, lady

When today, I thought there were some, but some stole  
away  
I play, I play by your rules, I follow your way, way  
When your roof, it tears me down, wears me down  
I'll be your clown

Down, down, down, down  
Down, down, down, lady, lady

Pitchin' and reachin' and crawlin' and fallin'  
Pitchin' and reachin' and crawlin' and fallin'  
Pitchin' and reachin' and crawlin' and fallin'  
Pitchin' and reachin' and crawlin' and fallin'

Lady, lady
