When I'm alone the world's at bay  
Keeping them still as I slip away  
But I'm not superman and I'm not every man  
Have I done the best that I can to generate 'cause I still  
hate

To revel around and terrorize or sympathize and  
populate  
'Cause I'm just every man who once was a stronger  
man  
Who let the queen of his land burn off his cape  
Now he just waits

Oh, let me be, you take a step and squash on  
everything  
Your holy water won't clean those Jimmy Choo's  
You wear those shoes and then you run around all  
night

When I'm alone the world's at bay  
Keeping them still as I slip away  
But I'm not superman and I'm not every man  
Have I done the best that I can to generate 'cause I still  
hate

Oh, let me be, you take a step and squash on  
everything  
Your holy water won't clean those Jimmy Choo's  
You wear those shoes and then you run around all  
night

Pictures and computers and your broken lies  
Can't you feel it, breathe it? Scent of lies  
Run around in coffee bars, you're dressed to thrill  
I bet you'd love to kill on your way home from Hyde
