Intro speak:

Tell me if you never dreamed  
With be a superstar...  
And in my dreams  
I always dream about my fans  
And dancing with my dancers on the stage

I wanna be a star  
I'm like a superstar (x5)

I wanna be a star  
Just wanna be like Gaga  
Don't climb in my Scene  
And I'll play your game  
If you want with me  
You'll have to shine in my place

We don't have a plan,  
'Cause it's just begun  
This is the fame  
And I don't care you're face  
You'll hear me even in the train  
Nacho Coyle is my name

I wanna be a star  
I'm like a superstar (x2)

I'm like a superstar  
Don't wanna be a flash  
Just want to scream my name  
You'll know me in the train  
Let's go to the bar  
We want party all the night

Come on baby, begins to shine

(Instrumental)

I wanna be a star (just wanna be)  
I'm like a superstar (starts to shine)  
I wanna be a star (just wanna be a star)

I'm like a superstar (don't wanna be a flash) (x2)

Final Speak:

I told ya, I was a star

I have a hunch

Is this a dream?

I can hear my fans,

I can see the lights

I'm in the stage
