Rolling fast down I-35  
Supersonic overdrive  
Rolling fast down I-35  
Through the day and past the night

Rolling fast down I-45  
Get ahead, going 109  
Rolling fast down I-45  
Bending time, feeling fine

Entrance song

Rolling fast down 75  
Empty road, moonlit sky  
Rolling fast down 75  
Cutting through like a knife

Rolling fast down I-35  
Polarized into the light  
Rolling fast down I-35  
Interstellar hyper drive
