Why can't you believe me?  
I'm telling you everything that I know  
I'm just mistaken  
I won't hurt you, not there to kill you

I might be like this  
I'll be living like this  
As a monster, as your fears now  
But it's still alright  
Isn't it? I wanna re-sight

Oh, help me out now  
I'll stay here down  
We are the underdogs  
But you, will soon see

I might be like this  
I'll be living like this  
As a monster, as your fears now  
But it's still alright  
Isn't it? I wanna re-sight

I'm not a monster  
Not there to harm you  
I just stay here  
Under your bed

I'm not a monster  
Don't show me the anger  
It's just you, for me  
But you fear us, and we fear you  
Not by intention, but you still  
Refill, your frown

Oh, I never wanted to be  
If you can see within me  
I'm not a monster, I'll never be

(Solo to the End)
