Dear Diary

Mood: Apathetic

My life is spiraling downward

I couldn't get enough money to go to the Blood Red

Romance and Suffocate Me

Dry concert

It sucks cause they play some of my favorite songs like

Stab my heart because I love you and Rip apart my soul

and of course Stabby rip stab stab

And It doesn't help that I couldn't get my hair to do that
flippy thing either

Like that guy from that band can do

Some days

I'm an emo kid, non-conforming as can be

You'd be non-conforming too if you look just like me

I have paint on my nails and makeup on my face

I'm almost emo enough to start shaving my legs

Cause I feel real deep when dressing in drag

I call it freedom of expression, most just call me a fag

There dudes look like chicks and there chicks look like
dykes

Cause emo is one step below transvestite

Stop my breathing and slit my throat

I must be emo

I don't jump around when I go to shows

I must be emo

I'm dark and sensitive with low self esteem

The way I dress makes everyday feel like Halloween

I have no real problems but I like to make believe

I stole my sister's mascara now

I'm grounded for a week Sulking and writing poetry are
my hobbies

I can't get through a Hawthorne heights album without
sobbing

Girls keep breaking up with me, it's never any fun

They say they already have a pussy, they don't need
another one

Stop my breathing and slit my throat

I must be emo

I don't jump around when I go to shows

I must be emo

Dye in my hair and polish on my toes

I must be emo
I play guitar and write suicide notes
I must be emo
My life is just a black abyss... ya know... it's so dark
And it's suffocating me, grabbing a hold of me and
tightening it's grip, tighter than a pair of my little
sisters jeans
Which look great on me by the way
When I get depressed I cut my wrist in every direction
Hearing songs about getting dumped gives me an
erection
I write in a live journal and wear thick rimmed glasses
I tell my friends I bleed black and cry during classes
I'm just a bad, cheap imitation of goth
You can read me "Catcher in the Rye" and watch me
jack off
I wear skin tight clothes while hating my life
If I said that I like girls I'd only be half right
I look like I'm dead and dress like a homo
I must be emo
Screw xbox I play old school Nintendo
I must be emo
I like to whine and hit my parentals
I must be emo
Me and my friends all look like clones
I must be e-e-emo
My parents don't get me ya know
They think I'm gay just because they saw me kiss a guy
Well, a couple guys
But, I mean it's the 2000's
Can't two... or 4 dudes make out with each other
without being gay
I mean, chicks dig that kind of thing anyways
I don't know diary, sometimes I think you are the only
one that gets me... You're my best friend
I feel like tacos
