Eyeliner is spiffy.

[Chorus]

I wanna do your make up.

When you wake up.

Come on over.

I'll make you over.

[I wanna do your make up]

When you wake up.

Come on over.

I'll make you over.

Let's take all our magazines,
for inspiration.

We'll make you a beauty queen,
you'll need foundation.

You'll be totally flawless
You'll get so much attention
Just like a goddess from another dimension.
We're gunna go full throttle.
Like a supermodel.

[Chorus]

I wanna do your make up.

When you wake up.

Come on over.

I'll make you over.

I wanna do your make up.

When you wake up.

Come on over.

I'll make you over.

Look at you girl [girl]
In your red, hot lip gloss.
Flipping of the world [world]
When you work that hair toss.

Shimmer.
Glimmer.
Glitter.
Glitter.

Now it's time to take another myspace picture.
[myspace picture]

You'll be a total hottie.
With a makeover from Scotty [Scotty]

[Chorus]
I wanna do your make up.
When you wake up.
Come on over.
I'll make you over.
I wanna do your make up.
When you wake up.
Come on over.
I'll make you over.

Eyeliner is spiffy.

[Chorus]
I wanna do your make up
When you wake up
Come on over
I'll make you over
I wanna do your make up
When you wake up
Come on over
I'll make you over

I wanna do your make up
When you wake up
Come on over
I'll make you over
I wanna do your make up
When you wake up
Come on over
I'll make you over

I wanna do your make up
When you wake up
Come on over
I'll make you over
I wanna do your make up
When you wake up
Come on over
I'll make you over

[Fades out]
I wanna do your make up
When you wake up
Come on over
I'll make you over

I wanna do your make up
When you wake up
Come on over
I'll make you over
