(Feat. Lara Mcallen)

The minute you walked through my door I knew this
love is for ever more

But then you told me all those lies
See the tears filling up my eyes

All I want is a little piece of heaven
All I need a little piece of heaven

All I want is a little piece of heaven
All I need a little piece of heaven

Da da da da da da da na da da
Da da da da da da la la da

Piece of Heaven

You taught me right from wrong and told me always to
be strong
But now im better off alone searching for a better
home

All I want is a little piece of heaven
All I need a little piece of heaven

Da da da da da da da na da da
Da da da da da da la la da

Piece of Heaven

All I want is a little piece of heaven
All I need a little piece of heaven
