This time I'm gonna live my life  
I ain't no stepford wife  
No I ain't perfect  
Gonna find somebody who's worth it  
And no you ain't that person  
Coz I caught you constantly flirtin'  
With my best friend

So I guess I'll say goodbye  
I'll find me another guy  
Why (why why why)  
You always makin' me  
Cry (cry cry cry)  
No I can't stand it  
No you can't be my man

It don't matter who you are,  
Even if you were a star,  
You've got to go  
(Go go go go go go)  
Read my lips I'm leavin',  
And no no I ain't teasin',  
This time it's for real,  
Gotta find you another girl,  
Coz this one sure ain't stayin',  
By the time you finish what you're sayin'  
I'll be gone
