It's a new world, it's a new way  
Make a fresh start, it's a new day, it's a new day  
Take your own path, make your own way  
Turn a blank page, it's a new day, it's a new day

I would wait, I would wait all my life for you  
I'll be there, I'll be there, I'll get ya through  
Don't look back, don't look back, don't be afraid  
Carry on, carry on, it's a new day, it's a new day  
It's a new day, it's a new day

It's a new life, it's a fresh start  
You're a good soul, you've a kind heart  
It's your moment, it's a picture  
We can do this, I'm coming with ya, I'm coming with ya  
I'm coming with ya, I'm coming with ya  
It's a new day, it's a new day  
It's a new day, it's a new day

I would wait, I would wait all my life for you  
I'll be there, I'll be there, I'll get ya through  
Don't look back, don't look back, don't be afraid  
Carry on, carry on, it's a new day, it's a new day  
It's a new day

Yeah, yeah, yeah, ooh (x8)

It's a feeling, it's a blue sky  
It's the ocean, it's the sunshine  
At the seaside, on the mountain  
At the park bench, on the fountains  
At the night club, on the playground  
It's a new world, it's a new sound  
It's your moment, it's a picture  
We can make this, I'm coming with you

Yeah, yeah, yeah, ooh (multiple times)

It's a new world, it's a new way  
Make a fresh start, it's a new day
