She said its not about you  
it's not about you, it's me  
She said it's not about you  
it's not about you, it's me

And sometimes its good  
sometimes its bad  
but living with you, well it's driving me mad  
And sometimes its good  
sometimes its bad  
but living with you is, well it's becomming a drag

She's a beautiful smile, she's a gleam in your eye  
dresses like a princess, playing games in your mind  
Falling out of her top, runs a hand through her hair  
playing so hard to get, cause she knows that you care

I dont know how to love you more, how to love you  
more  
how to love you more, my friend  
I dont know how to love you more, how to love you  
more  
how to love you more, my....

I guess we got, i guess we got  
i guess we got nothing to say  
I guess we got, i guess we got  
i guess we got...

It's not about you (don't you go)  
i guess we got  
It's not about you (don't you go)  
i guess we got

And sometimes its good  
sometimes its bad  
but living with you, well it's driving me mad  
And sometimes its good  
sometimes its bad  
but living with you is, well it's making me sad

So is this how it ends? Well nobody knows

she'll be gone for a year and we'll see how it goes  
Moving out of your flat, slipping right through your  
hands  
she's a difficult girl and your a sillier man

I dont know how to love you more, how to love you  
more  
how to love you more, my friend  
I dont know how to love you more, how to love you  
more  
how to love you more, my....  
I dont know how to love you more, how to love you  
more  
how to love you more, my friend  
I dont know how to love you more, how to love you  
more  
how to love you more, my....

I guess we got, i guess we got  
i guess we got nothing to say  
I guess we got, i guess we got  
i guess we got...

It's not about you (don't you go)  
i guess we got  
It's not about you (don't you go)  
i guess we got

It's not about about you  
(don't you go home, don't you go home, don't you  
leave me here alone) [x3]  
(And sometimes its good  
sometimes its bad  
but living with you, well it's driving me mad  
And sometimes its good  
sometimes its bad  
but living with you is, well your driving me...) [x1]

I don't know, i don't know, i don't know  
how to love you, but i love you so  
I don't know, i don't know, i don't know  
why i love you, but i love you so

I don't know, i don't know, i don't know  
why i love you, but i love you so  
I don't know, i don't know, i don't know...

I guess we got, i guess we got  
i guess we got nothing to say  
I guess we got, i guess we got  
i guess we got (nothing to say) [x3]

It's not about about you  
(don't you go home, don't you go home, don't you  
leave me here alone) [x3]  
(And sometimes its good  
sometimes its bad  
but living with you, well it's driving me mad  
And sometimes its good  
sometimes its bad  
but living with you is, well your driving me...) [x1]
