Don't say you don't see me,
Don't say you can't see me,
Cuz you're lying, you're lying.

Don't say you don't recognise me
At the back of the bar you don't recognise me,
You're lying, you're ly-y-y-er

[CHORUS]
Cuz I knew from the start
That you'd break my heart.
She's the girl that I know
From 10 long years ago.
All the games that she plays
Just blow me away in a

Summer love, it's a
Summer love, it's a
Summer love that lasts till school starts again.
Summer love, it's a
Summer love, it's a
Summer love that's gone as quick as it came.

(Sorry, yeah x3)

Don't say you don't need me,
Don't say you can't see me,
Cuz you're lying, you're lying.
Don't say you don't understand me,
It's been to long to forget about me.
You're trying, you're ly-ly-ly-ly-ly-ly-lying

[CHORUS]
Cuz I knew from the start
That you'd break my heart.
She's the girl that I know
From 10 long years ago.
All the games that she plays
Just blow me away in a

Summer love, it's a
Summer love, it's a

Summer love that lasts till school starts again.
Summer love, it's a
Summer love, it's a
Summer love that lasts for the rest of your days.

(Sorry, yeah x3)

I knew from the start
That you'd break my heart.
She's the girl that I know
From 10 long years ago.
All the games that she plays
Just blow me away in a

Summer love, that's been lost and found.
It's a second chance that you can't put down.
(repeat x4)

{Sorry, yeah x3}
