Take a chance before it's gone
throw me a rope, or string me along,
I'm nothing without you, this man is nothing without
you.
I know it's been a difficult year, it's been all I can do,
just to keep you here.
I want you to know, you're the star of my show.
I sing these songs about you, it wouldn't be the same
without you.
I know you try to hide, I know you try to act tough, but
take a chance on us.

Take a chance on us
Throw your arm 'round us.
Let it pull you up.
Tonight.
Take a chance on us.
I won't give us up.
Take a chance on us.
Tonight.

I always thought that we could make it through
if you would give me the chance, I always knew.
I don't care what they say, you were mine all the way.
It always seems like it's pouring again.
You don't get flowers without no rain.
Look what we've done; look how far we have come.
Well I sing these songs about you, it wouldn't be the
same without you.
I know you try to hide, I know you try to act tough, but
take a chance on us.

Take a chance on us
Throw your arm 'round us.
Let it pull you up.

Tonight.
Take a chance on us.
I won't give us up.
Take a chance on us.
Tonight.

Take a chance on us
Throw your arm 'round us.
Let it pull you up.
Tonight.
I know the times are tough, I know we ain't got much.
But I can't give us up, n' tonight, tonight, tonight,
tonight!
Take a chance on us.
Throw your arm 'round us.
Let it pull you up,
Tonight.

Take a chance on us.
I know we ain't got much.
But I won't give us up.
Tonight, tonight, tonight, tonight!
Take a chance on us.
Throw your arm 'round us.
Let it pull you up.
Tonight.
