

Black Dahlia Murder, The "Death Panorama"

Visit "[Death Panorama](#)" on MotoLyrics.com

In that very moment which life doth fade away

Ejected from my human shell exempt from time or
space

Floating absorbing omniscient in display

A grandiose presentation unravels before me

Not in chronology but so wildly all at once

An open dioramic rendition of events

Some horrible integral just the same

All pieces are key to the sum of the being

A strobe of emotions vivid extreme

The rapturous voyage through life's victories

The man that I once was I have left him behind

What kind of man does the assembled puzzle read?

With soul spread open wide

I calmly contemplate my destiny

Death panorama

Death panorama

Not in chronology but so wildly all at once

An open dioramic rendition of events

Some horrible integral just the same

All pieces are key to the sum of the being

A strobe of emotions vivid extreme

The rapturous voyage through life's victories

The man that I once was I have left him behind
