"Into Your Arms"

Visit "[Into Your Arms](#)" on MotoLyrics.com

When there's more than a vision - when there are no
Doubts
That the bad days are over - than I must be in your
arms

I wanna live with you forever
I wanna give my love to you
I need to cry a million rivers
And every teardrop's just for you

Chorus:
Into your arms
Into your embrace - that's where I fall

Built a house with a cellar - you hate to see the sun go
Down
Go tell your mother you'll be alright - when I lay you
On the ground

I wanna live with you forever
I wanna share my lust with you
I need to cry a million rivers
And every teardrop's just for you

Chorus
