You've been alone since I've been gone.  
And I've been gone a little too long.  
But I'll make it right when I get home tonight.  
And I'll hold You tight in the soft candlelight.  
I'm making it up to my baby.  
Every waking moment just the way it's meant to be.  
I'm making it up to my baby.  
Cuz my baby means the world to me.  
Making my way earning my pay  
Takes me away day after day  
So here I am doing all that I can  
Cuz I understand I'm a fortunate man

I'm making it up to my baby.  
Every waking moment just the way it's meant to be.  
I'm making it up to my baby.  
Cuz my baby means the world to me.  
Lord knows I miss You when we're apart  
And I can't wait to start...  
Making it up to my baby.  
Every waking moment just the way it's meant to be.  
I'm making it up to my baby.  
Cuz my baby means the world to me. Yes my baby  
means the  
World to me.
