They say clearly this is next to Galileans I take 4
showers a day
Catch me if you can get horse power the way
Escalade pop mollie, clean on them dinner plates,
Playing willie hutch, while I weave on the in of state
Used to walk on classic key on that inner face
Tryin to get the palace me on that real estate
Champagne wishes, video girl kisses,
Smoking... in Barcelona Brazilian bitches,
Give me sweetest massage before Minaj,
Memory got a place in my heart, like a casage,
Day in a life in times of a real nigga,
Bring the mess of nuts of a feel nigga,
Herbal hang sweet

Couple bitches IÂ'm a loner,
Tryin to find a meeting in life in a corona
Tryin to find a meeting in life in a corona
Get it later, but one is sooner like Oklahoma.
Purple hang sweet couple bitches IÂ'm a loner,
Herbal hang sweet couple bitches IÂ'm a loner,
Tryin to find a meeting in life in a corona
Tryin to find a meeting in life in a corona
Get it later, but one is sooner like Oklahoma, nigga

IÂ'm zoninÂ' IÂ'm zone now, Jim bay IÂ'm
Have a dab should never... what they say IÂ'm
Life a bitch, I just want a happy ending
Had a couple tribulations, this my new beginning
First year grad school, platin...
Third year record finally some visitation,
Pray my son never know my pain, is mamy scull me
deep,
My heart bleed in over kay,
A bitch whoÂ'll be a nigga down fall,
A bitch whoÂ'll be a smooth nigga south pall,
That many left, no feeling staf,
Lames make it last like key sweat,
IÂ'm cut from a different clock,
Not attracted to the life IÂ'm a different mark
Used to ride the bus like Chris Cross,

Now I tripped the Colorado, just o get loss,

Hook:

Couple bitches IÂ'm a loaner,
Tryin to find a meeting in life in a corona
Tryin to find a meeting in life in a corona
Get it later, but one is sooner like Oklahoma.
Purple hang sweet couple bitches IÂ'm a loner,
Herbal hang sweet couple bitches IÂ'm a loner,
Tryin to find a meeting in life in a corona
Tryin to find a meeting in life in a corona
Get it later, but one is sooner like Oklahoma, nigga

Charlie ride into hell, pray IÂ'm headed for heaven
Wippin that brand new seven, and my OG 112s
Why they pray they ainÂ't rising,
Why they go someone 11,
IÂ'll rap the benz for the shawties
Got no dough for the reverent
My own block doing youngers, my young niggas got
dumpers
All the obs wanna truck us, all the cops wanna cuff us,
They made a hot already niggas they ainÂ't up for the
summer,
Nigga why you ainÂ't acting all tough niggas know you
a sucker,
Thank God my mama was praying, why them shooters
was spraying
All we ainÂ't had no insurance, but avoided to made
him
Flow as dummies to deep party and stupid as payling
These niggas softens my lady, life is hard as the
payment
I turned it all away up and girl was all away down.
Now she was out with the girls, you were all clown.
I got it all for McDonalds I put the ride in McQueen
To you ainÂ't seen it in musc, took a ride off the scene
Naledge talk to em.
