I've got so much love for you darlin'
And I, I wanna let you know how I feel

And it's true that I love you
And it's true you're the only one
And I do, I adore you
And it's true, girl

You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive, ive

You say, you say, you say that I'm the only one
You say that I'm your number 1
Now you're gone and I feel numb
Tell me where do we go wrong

You were my best friend and boyfriend
Now it seems like you're my worst friend
I gotta do soul searching
Without you I'm a whole different person

I ain't acting like I used to
I don't feel loved like I used to
It was your love I was used to
Why do I had to lo-lo-lose?

Your love, your love, your love
Your love is what it was
That have me feeling bust
You are my true love

And it's true that I love you
And it's true you're the only one
And I do, I adore you
And it's true, girl

You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive

You make me feel alive, ive, ive, ive, ive

Hey girl, you're the only one
Supposed to be my number one
Now you're gone, I feel so numb
Tell me how do we go wrong

First friends then we became best friends
You used to be my girlfriend, now you're my worst
friend
Yeah, I gotta do a lil' soul searching
Without you I'm a whole different person

I don't even act like how I used to
I don't even feel loved like I used to
I guess it's your love that I used to
And I feel bad that I had to lose you

I get so many things that I wanna s-s-say
I guess this mean that I'm missing you
Sorry for the things that I did to you
I'm so lost without you

And it's true that I love you
And it's true you're the only one
And I do, I adore you
And it's true, girl

You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive, ive

I've got so much love
I've got so much love
I adore you and it's true, girl

You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive
You make me feel alive, ive, ive, ive, ive

So easy to fall in love with you
And all the things that you do
Baby girl you're so remarkable
So special, so wonderful

So special, so wonderful
So special, so wonderful
Baby girl, you're so remarkable
So special
