Shit, shit, shit
Muevele, muevele, muevele, muevele, muevele, asi asi
Bailar, yo quiero baila lalalalalalala bailar
Mueve las nalgas (shake your ass girl)
A la musica, we'll be dancing, dancing, dancing up in
Havana
And we gon' shake it, shake it, shake it, you gon' shake
it

Hips start shakin' and they're movin' all around
Hips start shakin' and they're movin' all around
Hips start shakin' and they're movin' all around

Get them hips shakin' around

I like to dirty dance, I like to do my thang
So Mami, get a little loose and make your hips swing
It's like we're making love when I am dancing with you
It's like you climax Mami, when I dip you (ah)
So let's just dirty dance, yeah, let's salsa
Let's do that on the floor and make it hot now (ha)
And Mami, move your culo to the Conga
Sweat dripping down your body is how I want ya
And muy caliente is what you makin' me (ha)
To paradise Mami, is where you taking me
And all we really doing is moving our feet
Dancing really close and creating some body heat
But I remain elegant, you say elegante
That is is so irrelevant, so let's keep on dancing, cause
look
I speak English and you speak Spanish
And music is the only thing that we be understanding

I just wanna be dancin'
Dirty, dirty, dirty dancin'
I just wanna be dancin'
Dirty, dirty, dirty

Bailar, yo quiero baila lalalalalalala bailar
Mueve las nalgas (shake your ass girl)
A la musica, we'll be dancing, dancing, dancing up in

Havana

And we gon' shake it, shake it, shake it, you gon' shake it

Hips start shakin' and they're movin' all around
Hips start shakin' and they're movin' all around
Hips start shakin' and they're movin' all around

Get the hips shakin' around

[Will]

Let's dirty dance right here on the floor, girl
Let's do our thang, let's give them a show, girl

[Fergie]

But I don't know, don't think they're ready for this (uh huh)
Let's give it to them, I hope they're ready for this
You put your hands on my hips

[Will]

I put my hand on your hip

[Fergie]

Baby, I'll follow your lead

[Will]

Check it goes like this

[Fast beat]

Baby, just follow the motion
Dancing a sexual motion
Moving with so much emotion
We gettin' dirty now

It's how we dance
It's how we dance
It's how we dance
It's how we dance
It's how we dance
It's how we dance

Me and my girl dance with so much passion
It looks like we having sex but we just dancing
Dirty sex dancing with our clothes on
If you are offended, bro, we mean no harm

That's how we dance [4x]

(Yeyeyeyeyeye) yeah, yeah just dirty dancing
(Yeyeyeyeyeye) ha ha, just sexy dancin'
