Hey!

I betcha can't, betcha can't do it like this
Betcha can't, betcha can't rock it like this

Hey!

1, 2, 3 to the 4
Coming to your hood like a sky missile
Fergie rock the beat down to the gristle
I spit it clean just like listerine

I'm so official

That's why I'm rockin' this, rockin' this whistle
I'm in the disco
Pretty lady nipples
When I dj I turn the bass up the tickle

The girls with the big, big booties
I'm straight chillin' coolin' out with cuties
21 and over, ain't messin' with juvies
Girls always talk about
'I ain't no groupie!'

I ain't stup-ie

I know what the truth be
You was up chillin' with
Wheezy last week

You nasty, admit it you nasty
Trying to act classy
Askin' for a glass please
Grab a glass and get wet
Ask for some bubbles
So I gave 'em all wet
I said I don't want trouble
But she said she want get busy
'Cause she's dizzy
So I said let's jet

We did it and we did it and we did it like this
Did it and we did it
And we did it like...

I said
I betcha can't, betcha can't rock it like that
I betcha can't, betcha can't...

D-d-d-d-d-d-d-d-do it like me
So fresh so clean
This beats crazy this beats obscene
This shits laced with shit so mean
Mean mean

You know what I mean
This beats cracked out
Means ya'll clean
This shits hot nigga
Letting off steam
This is like movie action scene

Ring ring ring like a machine
This shits money nigga this shits green
This shits is terrifying
Halloween

This shit is gimme yo q-q-q-q-queen
And that means I'm the what, what? King

Betcha can't, betcha can't rock it like this
Betcha can't, betcha can't rock it like this
Betcha can't, betcha can't rock it like this
Betcha can't, betcha can't

Rock the house bro
Rock the dancer
I want the tsunami
Someone gimme belly dancer
Who got the answer
For the dancer
Nobody know but I got music to announce ya
Blo blocker mama call me papa
I stay on top
Quick chicks like chaka
Zulu I'm the shit
You the haka

Who are you
I'm the future hip hopper
Mega nigga
This nigga bigga
Why hold a gun
If you can't pull the trigger?

Why you say you'll do it
When you know you can't deliver
Why you drink vodka
If you've got a weak liver?
Ha ha ha ha

I'm a lover not a fighter
Loved on a dyke
Turned her to a dick-liker
Ha ha ha ha

I'm the big chief rocker
Shootin' up your block like
Blocka blocka

Betcha can't, betcha can't rock it like this
Betcha can't, betcha can't rock it like this
Betcha can't, betcha can't do it like that
Yo, try it
T-t-try it
Can't rock it like this

I'm the new nick matic
Black acrobatic
Alien bout to invade, galactic
Ladies climaxin'
Off of my accent
Filipino comin to the u.s., smashin'

Laser, flashin' big ghetto blastin'
Vodka water, time for some action
Check it out now
The funk soul brotha
And right about now
You know I'm on that otha

Shit, but you can't rock it like me though
Niggas say I'm dope, white girls say I'm neat-o
I rock reforms I ain't messin with no needles
music revolution like underground beatles

Yeah, you can't rock it like us
Bitch, you need to shut the up

I'm on a missiion, I'm on a mission
Start the igniton,
Let's throw it up like nitroglycerin
It's the new defiinition
Of part demolition
Check the new composition
Lets shoot 'em down with the killer ammunition

I got a proposition
Stop, listen
'Cause this beat bangs a banger,
Knock 'em out to submission
I got an intuition
Tonight's gonna be a good good exhibition
Hope you don't have no heart condition
Think you could rock it like this, you wishin'

You can't rock it like this
