Hey, baby my nose is getting big  
I noticed it be growing when I been telling them fibs  
Now you say your trust's getting weaker  
Probably coz my lies just started getting deeper  
And the reason for my confession is that I learn my  
lesson  
And I really think you have to know the truth  
Because I lied and I cheated and I lied a little more  
But after I did it I don't know what I did it for  
I admit that I have been a little immature  
Fucking with your heart like I was the predator  
In my book of lies I was the editor  
And the author  
I forged my signature  
And now I apologise for what I did to you  
Cos what you did to me I did to you

Nononono baby, nononono don't lie  
Nononono, yeah you know know know you gotta try  
What you gonna do when it all comes out  
When I see you & what you're all about

Nonono baby, nononono don't lie  
Yeah you know you know you know you know you  
gotta try

She said I'm leaving  
Cos she can't take the pain  
It's hard to continue this love it ain't the same  
Can't forget the things that I've done inside her brain  
Too many lies committed too many games  
She feeling like a fool getting on the last train

Trying to maintain but the feeling won't change  
I'm sorry for the things that I've done and what I  
became  
Caught up in living my life in the fast lane  
Blinded by lights, cameras, you know the fame  
I don't know the reason why I did these things

And I lie and I lie and I lie and I lie

And now our emotions are drained  
Cos I lie and I lie and a little lie lie  
And now your emotions are drained

Nononono baby, nononono don't lie  
(no, don't you lie)  
Nononono, yeah you know know know know you gotta  
try  
(got to try, got to try)  
What you gonna do when it all comes out  
(what you gonna do baby)  
When I see you & what you're all about  
Nonono babe, nononono don't lie  
Because you kno you kno you kno you kno you know  
gotta try

Ooh ooh ooh, ooh ooh ooh ooh  
Ba da ba da ba da ba da badabada

Yo, I'm lying to my girl  
Even though I love her  
And she all in my world  
I give her all my attention and diamonds & pearls  
She's the one who makes me feel on top of the world

Still I lie to my girl, I do it  
And I lie and I lie and I lie till there's no turning back  
I don't know why, (and I lie and I lie till I don't know who  
I am)
