Sound selector activate your transistor
Transmitter audio wears through your system
Sub-sonic mega bolt base from the kickin'

Ghetto blaster blastin' on your block
Pumpin' out megahertz
Mega-megawatts

You can get electric shock from my flow
Bitches on my dick, they on my dildo
Do, re, mi, fa, so, la, ti, do
I get the money money, I get dough
EQ the equalizer for the stereo

We the blast masters, the radiation
International coming to your nation
Feel the, feel the, feel the, feel the vibration
We killin', killin', killin' your radio station

Kill 'em with the sound, kill, kill 'em with the sound
Hit 'em with the frequency
Shoot 'em with the base, shoot, shoot 'em with the base
Super mega frequency

Kick 'em with the drum, kick 'em, kick 'em with the
drum
Get 'em with the melody
Beat 'em with the beat, beat 'em, beat 'em with the beat
Super mega frequency

In the Electric City, Electric City
Electric City, Electric
Kill 'em

Step up in the par, step up in the party
Sippin' on coke and Baca-Bacardi
Beat so dope, I'ma treat my body
Lord have mercy, Lord have, Lord have mercy

La, dee, dee, dee, dee, dee, dee, la, dee, da
Killer on the lose like I'm Jeffrey Dahmer

Ready to produce mega rhythm, yes sir
Call me mad scientist, the professor

I program the rhythm
Ask 'em who killed 'em they say Will.i.am did 'em
Boom, boom, pow, let me style when I hit 'em
I know how to kill 'em when I kill 'em

Kill 'em with the sound, kill 'em kill 'em with the sound
Hit 'em with the frequency
Shoot 'em with the base, shoot, shoot 'em with the base
Super mega frequency

Kick 'em with the drum, kick 'em, kick 'em with the
drum
Get 'em with the melody
Beat 'em with the beat, beat 'em, beat 'em with the beat
Super mega frequency

In the Electric City, Electric City
Electric City, Electric
Kill 'em

Electric shock surgin' down your city
Higher voltage B.E.P comity
Transmitting sound got the girly's silly
Bouncin' around, tryin' to show me tittys

Watch out now we about to blow
Big room now and salute the general
Energy got the whole system overload
Got the [Incomprehensible] got the eardrums about to
explode

Extra, extra flow be powerful
Blow your mind, it's the incredible
Apl.De.Ap, the original
I'm the thriller of Manila in the Filipino

Kill 'em with the sound, kill 'em, kill 'em with the sound
Hit 'em with the frequency
Shoot 'em with the base, shoot, shoot 'em with the base
Super mega frequency

Kick 'em with the drum, kick 'em, kick 'em with the
drum
Get 'em with the melody
Beat 'em with the beat, beat 'em, beat 'em with the beat
Super mega frequency

In the Electric City, Electric City

Electric City, Electric
Kill 'em
