Hey doctor, is something wrong with me?
Am I crazy, do I need a remedy?
Imma club rocker, that's my personality
It's in fashion to be blasting them beats
And I like to go out every night
I like to go out every night
I like to go out every night
I like to go out, ey

Dance, dance to the beats, beats, beats (to the beat)
Dance, dance to the beats, beats, beats (to the beat)
Dance, dance to the beats, beats, beats (to the beat)
Rock, rock to the beats, beats, beats (to the beat)

Get ready for the night
All the people just keep on rockin'
Get ready for the night
All the people just keep on rockin'

In fashion [x4]

Enchanté, comment allez vous?
Très bien, merci. Et vous?
Super good, super nice
Salt and pepper
Sugar and spice
Space sugar case to the moon let's go
