Party people, party people
Are you get funky ?

Party people let's have a good time
Let's keep it bumpin'
Come come get funky
Let's keep it movin'
Let's make it happen
Come come get funky
(down)

[Verse 1:]

Alright we about to set it of now
You know the Black Eyed Peas be comin with pile
before
Bout to have you let it all out
The hypnotical rhytm keep you bouncin ?

OK I see a lotta people around
Today we gonna show you how we get down
C'mon pull out the radio for the sound
In time we be waitin for shakin around
The ground

The ground definitely will get shooked
And the roof it's gonna catch a fire cause what
We burn, we burn this ish straight to the floor
We doin it, till you be like "don't do it no more"

It's fo real plus everybody is dressed up to kill
I see a lotta ladies and ? ill
Yo Will (what?)
Get the mic and preform (ok)
Everybody's been waitin for the Peas to get on

Party people let's have a good time
Let's keep it bumpin'
Come come get funky
Let's keep it movin'
Let's make it happen
Come come get funky

(down)

[Bridge:]

Swirpin suit our dream

(why don't you freak ?)

Let your body speak

Socialize (get down)

Let your sooooooul lead the way (brake it down)

Go ladies (it's a living thing)

Look like this (ok)

Now that you up and free

Do what you feel

Just rock

[Verse 2:]

We about to run through you block

?Wishin? out the Peas so you know that we hot

Thats what the Selenas will say

They askin if the Jimmy can come out and play-play

My brother let's colaborate strong

So everything we have will last long

Before

I builded this to make it bu-bump bu-bump

We makin radios speak upon

We bump

Frequency that blow out your trunk and

You wantin some more of this somethin

You ain't gettin nothin till you shake your bump and

Go go get funky, start jumpin

It's the Black Eyed Peas will bring the action

Everlastin satisfaction

Radio activ high reaction

Just done ? ?? ??

Party people let's have a good time

Let's keep it bumpin'

Come come get funky

Let's keep it movin'

Let's make it happen

Come come get funky

(down)

Party people let's have a good time

Let's keep it bumpin'

Come come get funky

Let's keep it movin'

Let's make it happen

Come come get funky
