Take you to Phillipines then you don't have to spend a

peso
We got connection like a novel to a reader
I can relate cause Latin girls look Philipina
Check your history there's no history between us
Destiny made it possible to be us
I know about your culture cause it's mixed with mine
We go together well just like
Beats and rhymes and
Tequilas and limes
So let's combine
And I'll say one more time
I like them
