And the base keep runnin', runnin'  
And runnin', runnin' [7x]

In this context, there's no disrespect  
So when I bust my rhyme, you break your necks  
We got five minutes for us to disconnect  
From all intellect, collect the rhythm effect  
To lose your inhibition, follow your intuition  
Free your inner soul and break away from tradition  
Cause when we beat out, girl it's pullin' without  
You wouldn't believe how we wow sh\*t out  
Burn it till it's burned out  
Turn it till it's turned out  
Act up from north, west, east, south

[chorus]  
Everybody, everybody  
Let's get into it, get stupid  
Get it started, get it started, get it started  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Yeah

[Taboo]  
Lose control of body and soul  
Don't move too fast people, just take it slow  
Don't get ahead, just jump into it  
Y'all here a body, the Peas are through it  
Get started, get stupid  
You'll want me body, people will walk you through it  
Step by step, like you're into new kid  
Inch by inch with the new solution  
Transmit hits, with no delusion  
The feeling's irresistible and that's how we movin'

[chorus]  
Everybody, everybody  
Let's get into it, get stupid  
Get it started, get it started, get it started

Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Yeah

Runnin' runnin', and runnin' runnin'  
And runnin' runnin', and runnin' runnin' and

C'mon y'all, lets get woohoo!  
Lets get cuckoo (in here)  
Lets get cuckoo  
Lets get cuckoo (in here)  
Lets get cuckoo  
Lets get cuckoo (in here) ow, ow, ow  
Ya, ya, ya...

[Apl.de.apl]  
Let's get ill, that's the deal  
At the gate, we'll bring the bud top drill  
(Just) lose your mind, this is the time  
Y'all test this drill, and just bang your spine  
(Just) bob your head like me, Apl.de  
Up inside your club or in your Bentley  
Get messy, loud and sick  
Y'all mount past slow-mo in another head trip  
(So) come then, now do not correct it  
Let's get ign'ant, let's get hectic

[chorus]  
Everybody, everybody  
Let's get into it, get stupid (come on)  
Get it started (come one), get it started (yeah), get it started  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started in here  
Let's get it started (ha), let's get it started  
(Woah, woah, woah) in here  
Yeah

(We) cuckoo  
Let's get cuckoo (in here)  
(We) cuckoo  
Let's get cuckoo (in here)  
(We) get cuckoo  
Let's get cuckoo (in here) ow, ow, ow  
Ya, ya, ya...

Runnin' runnin', and runnin' runnin'  
And runnin' runnin', and runnin' runnin'...
