Ring, ring, ring, hello, hello, hello
Danger, danger
Ring, ring, ring, hello, hello, hello
Danger, danger

Yo, my phone go ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling
Hello, hello, hello, hello, hello

Then the girls want ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling
Dam, dam, dang a lang

My phone go ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling
Hello, hello, hello, hello, hello

'Cause the girls want ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling
Dam, dam, dang a lang

Ring a ling a ling, who calling king?
Some lil' queen need a full arm sting
Early in the morn for a little fling, fling
Girl, I ain't nothing but a thing, thing, thing

Baby, don't cling, cling to a man
If you need the boom boom stick to the plan
I'll meet you in the room soon so we ding a ling again
Giving to you laby, I'm your lover, lover man

'Cause get ready for you know what
Food, no
Food, no
Drinks, no
Sex, yes

If freak is freaky then freaky I'ma get
Love you like you've never been loved like this
'Cause I oh I, I got something for you baby

Honey, I, oh I, I got something for you baby
'Cause if I'm calling at 2 in the mornin'
It only means one thing baby

'Cause my phone go ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling
Hello, hello, hello, hello, hello

Then the girls want ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling
Dam, dam, dang a lang

Wonder, I wonder, who's calling who's calling?
This early this early, early I wonder what they want
At 4 in the morning

Ring a ling a ling a, who's calling
My phone so late in the morning?
Pick it up, pick it up, no warning
I'ma answer the phone for she on it

Yeah, yeah, yeah, I want it late at night, tip bang
You could go get right, get right long as the head's
right
Me and you in the whip of the red light

So put it all over me, all over me
Tell me where you wanna go, tell me how you wanna
feel
Baby, we could do it fast, baby, we can do it slow
Tell me where you wanna go, tell me where you wanna
be

Yeah, and I hope that it's next to me
You don't wanna have sex with me
Then why you keep texting me
Alright I'ma hit you back later

Honey, I, oh I, I got something for you baby
'Cause if I'm calling at 2 in the mornin'
It only means one thing baby

Then my phone go ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling

Hello, hello, hello, hello, hello

Then the girls want ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling
Dam, dam, dang a lang

My phone go ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling a ling, ling
Ring a ling a ling, ling, ring a ling
Hello, hello, hello, hello, hello

Then the girls want ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling a ling, ling
Ding a ling a ling, ling, ding a ling
Dam, dam, dang a lang

And I, oh, I got something for you baby
'Cause if you calling at 2 in the morning
It only means one thing

Booty call, boo, boo, booty call
Boo, boo, booty call, boo, boo, booty call
Boo, boo, booty call, boo, boo, booty call
Boo, boo, boo, booty call
