We be the one to make it hot (to make it hot)

Electric shock, energy like a billion wats

Space be boomin, the speakers pop

Gollat the comb, we miss the spot

We bumpin your parkin lot

When you comin up in the spot

Don't bring nothing we call pink dot

Cus we burnin around the clock

Hit the lights and turn them off

If you bring that don't make you stop

Like the jungle we run the block

No one rollin the way we rock,

Way we rock

I wanna, I wanna rock right now, I wanna, I wanna rock
right now

I wanna, I wanna rock right noooowww

I wanna dance, I wanna dance in the lights
I wanna rock, I wanna rock yo body
I wanna go, I wanna go for a ride
Hop in the music & rock yo body right

Rock that body, come on come on rock that body(Rock
your body)
Rock that body, come on come on rock-that-body
Rock that body, come on come on rock that body(Rock
your body)
Rock that body, come on come on rock-that-body

Supa fly ladies, All of my Supa fly ladies,
All of my Supa fly ladies, All of my Supa fl- Supa fly

Yeah you could big ballin
long as you feel like your own
Yeah you could be the model type,
skinny wit no appetite
Short, stacked, black or white,
long as you do what you like
Body outta sight, body, body outta sight

She does the two step and the tongue drop
She does the cabbage patch and the bus stop
She like electro, she love hip-hop, she like the rege
She feel punk rock, she love samba and the mambo
She like to break dance and calypso

Get a lil crazy, get a lil stupid, get a lil crazy, crazy,
crazy

I wanna dance, I wanna dance in the lights
I wanna rock, I wanna rock yo body
I wanna go, I wanna go for a ride
Hop in the music & rock yo body right
rock yo body, rock yo body

Come on, yeah

Rock that body, come on, come on rock that body (Rock
yo body)
Come on
Rock that body, come on, come on rock-that-body
