[Intro]

Whoa-oh-oh-oh-oh-oh-oahhhahhh  
Shut up, just shut up shut up  
Whoa-oh-oh-oh-oh-AHHH-oah-oahhhahh

[Chorus]

We try to take it slow  
But we're still losin control  
And we try to make it work  
But it still ends up the worst  
And I'm crazyyyyyy  
For tryin to be your lad-yyyyy

[Verse One]

Girl me and you were just fine, y'know  
We wined and dined, did them things  
that couples do when in love, y'know  
Walks on the beach and stuff, y'know  
(Things that lovers say and do)  
I love you boo (I love you too)  
I miss you a lot (I miss you even more)  
That's why I flew you out when we was on tour  
But some things just get out of hand  
When you start screamin for no reason  
Just because I'm up in the club with my friends  
Have a little trust and believe in your man  
And just because I look at a girl don't mean nuttin  
And just cause we talk don't mean that we (fuckin)  
Word, so just shut up, shut up  
Shut it up, just shut up, shut up

[Chorus]

[Verse Two]

Why why why, why does emotion gotta move so fast?  
Love is progress if you can make it last  
Why is it that you just lose control  
every time you agree on takin it slow?  
Why does it have to be so damn tough?  
Caise fools in lust could never get enough  
of love, showin the love that you be givin

Changin up your livin for a lovin transistion  
Girl listen listen, tryin to get you to listen  
Screamin at each other has become our tradition  
You yell, I yell, everybody yells  
Got neighbors across the street sayin "Who the hell?!"  
Who the hell? What the hell's goin down?  
Too much of the bickerin, kill it with the sound and

[Chorus]

[Interlude]

Don't even talk, to me  
Don't even speak, to me  
Cause if you keep talkin, I'ma start walkin  
And you don't wanna see me leave  
(Well if you'd stop leavin, I'ma start believin)  
(You endin up with me)  
Girl our love is dyin {\*4X\*}  
Why did you stop tryin?  
Girl our love is dyin {\*4X\*}  
Why did you stop tryin?

[repeat Intro]

[Verse Three]

Love is full of emotion and games  
A thin line between good bad and insane  
People goes through this just to obtain  
A perfect relationship and maintain  
But sometimes things just get out of hand  
We all make mistakes, ain't no perfect hu-man  
Starts from a little lie on top of the other  
Makin up excuses to tie your loose ends  
Then you wonder why things ain't never the same  
Then you try to re-erase, but it's just too late to chase  
Like chasin a wonderful scene while I'm dreamin  
But when I wake up ain't nothin but screamin  
Yellin, fightin, throwing things at each other  
Situation like this make me just wanna tell you to  
(Shut up, just shut up, shut up)  
(Shut up, just shut up, shut up)

[Chorus]
