If it smells like funk it must be us
Yeah, that's Funky (Funky)
Yeah, that's Funky (Funky)
Yeah, that's Funky (Funky)

[CHORUS] If it smells like Funk it must be us
The funk funk full foul stinky it's stanky stuff
If it smells like Funk it must be us
The funk funk full foul stinky it's stanky stuff
If it smells like Funk it must be us
The funk funk full foul stinky it's stanky stuff
If it smells like Funk it must be us
Cause nobody's stanky as us, Cause we keep it Stinky
(Stinky)
We keep it Stinky, (Stinky)
We keep it Stinky, (Stinky)
We keep it Stinky, (Stinky)
Stinky, Stinky, Stinky,

The Funk phenomenon, we Funk you on n' on
There's no need to hold your nose,
Cause this pong sing like a rose

Big booty Funk, Toe jam Funk,
Underarm Funk, like you headlocking a Skunk'
Reaking like diseased athletes feet,
The stench didn't come till after this beat
Smellin' like droors no weezin no pause
Put your hand up on the speakers get smelly ass paws
You know we was coming before we entered the door
Cause you could smell the rhyme when we was walking
down the hall
We bring the Funk worse than a wet dog
Stinkin' like fat ladies shittin' out logs
We got enough shit to keep them toilets clogged
Keep the people jumpin' like them Bullfrogs
The first one who smelt it ain't the one who dealt it
Black Eyed Peas keep the scent blind like delta
Funky like onions you cryin' (Sure is Funky) girl you ain't
lyin'

(CHORUS)

Yo' you Funkin' with the Funk family
The non fabricated factual faculty'
We formulatin' up in a factory
Focusin' on the energid' of fluid flow free'
We flawless, everything is for free
We florish and we flaunt our flavour freshly, huh'
Can you believe we flip the frequency's and
Freak emcees they leave all frantically but'
Our intent is ought to be friendly but'
They fightin' when we start the freestylin' frenzy
I konk up ya' flat till your girlfriend leave
Fillin all anatomy, bringin' me flattery, huh'
She'll be digin these rhymes that ease beats
Like celulite lyrics so flappy
We bring the funk to your festivity's
If you think something stank then it must be the peas!

If it smells like Funk it must be us
The funk funk full foul stinky it's stanky stuff
If it smells like Funk it must be us
The funk funk full foul stinky it's stanky stuff
If it smells like Funk it must be us
The funk funk full foul stinky it's stanky stuff
If it smells like Funk it must be us
Cause nobody's Funky as us, cause we keep it Stinky
(Funky, Funky, Funky, Funky)

Celulite overweight stankin' emcees
Stench smells so strong it's insanitary
Cause you can sence me a mile away so shanky
With the jungle Funk sound from Seringety
Meaty, Fat, Nasty like miss Fat booty's tights
Gettin' dirty like mudfights and dirtfights
Turning these droors black they used to be white
And we shitin' on these tracks that you gonna' need to
wipe
The odor's so contagious that it shows up in your
dream
Man you could pick me out like food in between
Your two front teeth cause you be lackin' the streets
We got beefy ass beats that we bumpin' in the streets
We so nice n' sweet like steak box n' feet
Sour underarm Funk you ain't washed in a week
And man we be reakin' every day and weekend
We could all bounce to the Funk and the season

Bounce, bounce, bounce, woo, haha
Yeah that's Funky', Yeah that's Funky'

If you smellin' something funky
then you know it got to be nobody other than Apl, Will n'
Taboo
Cause if you know that if it smells like Funk then it must
be us
If you smellin' Fat Funk then it must be us
If you smellin' something Funky
then you know it got to be nobody other than Apl, Will n'
Taboo
Cause you know that if it smells like Funk then it must
be us
If you smellin' elephants then it must be us
If you smellin' somethin Funky
then you know it got to be nobody other than Apl, Will n'
Taboo
Cause you know that if it smells like Funk then it must
be us
If you smellin' elephant shit then it must be us [FADE
OUT]
