They don't want music, they don't know how to use it  
All they want is (a boom, boom, boom, boom)

Hey y'all, John Coltraine yeah he plays the sax  
Me, myself I love to max  
Up in the studio laying tracks  
Burn it on the CD, melt the wax  
And now I'm feeling fine  
Coz daily music's on my mind  
And I feel mellow  
When I watch the girl play the cello  
Hello to all my fellow peers in here for the quality  
Music quality, yeah  
That'll be the focus in the top pick of the day  
So pass the peas like we used to say  
Pass the beats like they used to say  
Pass the phunk like they used to say  
That's my joint like we used to say  
Syncopation the true school way

[Chorus]  
I don't know what you came to do  
I came to drop the phunk on you  
Depends on that sonic sound  
But you know what?  
They don't want music [2x]  
They just want (a boom, boom, boom boom boom [2x])  
They don't want music, they don't know how to use it  
They don't want music [2x]  
They don't want music, they don't know how to use it  
The good back horn  
They don't want music, they don't know how to use it  
All they want is (a boom, boom, boom, boom, boom  
boom boom)

Oo, lala aw wee wee  
Nowadays music is all about fee  
The soul is caged no bits now free  
Unless the rhyme was rocked by me  
I got the balls to bang (baw ba-ba-baw, ba-ba-baw, ba-  
baw bang)

Yeah, steady, just doing my thang (steady, just steady,  
just doing my own thang)  
I just do it (ha!)  
I just do it you know  
My momma said to do what you know  
So I'ma do what I know  
James Brown gave me the fluid  
That means a baby could do it  
The Peas will do it so

Do it, do it, do it  
Get up on the stage and release my fluid  
Do my thing, do it through the music  
Phunkafied and therapeutic

[Chorus]

Wait a minute!  
You got to rock with the phunk (if you wanna have a  
good time) [2x]  
You got to roll with the phunk (if you wanna have a  
good time) [2x]  
You got to roll with the phunk (if you wanna be sweet  
and fine, hey! Hey! Hey! Hey!)  
Rock with the punk (if you gonna have a good time)  
You got to roll with the phunk (if you wanna have a  
good time)  
A woman that'll phunk your horn now (gimme that  
phunky horn!)  
Play that phunky horn now (gimme that phunky horn)  
Gimme that phunky horn now (gimme that phunky  
horn)  
Hey! Hey! Hey!

[Instrumental]

You got to rock with the phunk (if you wanna have a  
good time)  
You've got to roll with the phunk (if you wanna have a  
good time)  
You got to dance with the phunk (if you wanna be sweet  
and fine)  
I said I like to dance with the phunk (if you wanna be  
sweet and fine)  
You've got to shake with the phunk (if you wanna have  
a good time)  
Shaking shaking shaking with the phunk (if you wanna  
have a good time)

Gimme that phunky horn (gimme that phunky horn)  
I need that phunky horn (I need that phunky horn)

Play that phunky horn now (gimme that phunky horn)  
... A break down, a break down, a break, get down

Dance everybody move your body through the music  
Get it started, get into it  
Come on everybody do it  
You've got to dance through the music  
People doing what you're doing  
People grooving with the music  
You've got to roll with the phunk

Roll with your phunk (if you're wanna have a good time)  
R-O-double-L keep rolling with the phunk (if you're  
wanna have a good time)  
And roll! To a phunky place  
I'm rolling (where?)  
To a to a to a phunky phunky place  
I'm rolling! To a phunky place  
I'll be there, I'll be there, I'll be there, I'll be there...  
It's phunky, phunk, phunk, phunk phunky...
