Your waiting boy, waitin for no man, get yourself a plan
but you wait &
you wait. Your stolen man time is ticking by your
money's running dry
but you wait & you wait.

Keep on moving moving steady, you got to rocket to
your feet
when your ready. Your huffing your puffing your
running around
most of the time both your feet of the ground.
Your huffing your puffing you got to slow down

Your huffing your puffing your running around most of
the time both
your feet of the ground. Your huffing your puffing you
got to slow down

It doesn't have to be like that my friend you neva gonna
get the
chance again the only choice is you wait

It doesn't have to be like that my friend you neva gonna
get the
chance again the only choice is you wait

Why why why are you waiting boy
Why why why are you waiting boy
Time time time is awaiting for ya
Time time time is awaiting for ya
get on your feet son go get another one
get on your feet son go get another one

Your huffing your puffing your running around most of
the time both your
feet of the ground. Your huffing your puffing you got to
slow down

Your huffing your puffing your running around most of
the time both your
feet of the ground. Your huffing your puffing you got to

slow down

It doesn't have to be like that my friend you neva gonna
get the chance
again the only choice is you wait

It doesn't have to be like that my friend you neva gonna
get the chance
again the only choice is you wait

the only choice is you wait
the only choice is you wait
the only choice is you wait
the only choice is you wait
