My love took my heart with her, my love I could never forget her - Iubita mea mi
my love, all my hope is to live with her, with her
my love took my heart with her, my love I could never forget her - Iubita mea mi
my love has my wound and my cure, my cure

that day, once she talked to me
I swear I had no idea what happened to me - Jur cĂf nu am avut nici o idee ce s
suddenly, the words came out of me - Dintr
I said them, then I saw love in her eyes - Le

My love took my heart with her, my love I could never forget her - Iubita mea mi
my love, all my hope is to live with her, with her
my love took my heart with her, my love I could never forget her - Iubita mea mi
my love has my wound and my cure, my cure
(2x)

her love is what made me - Dragostea ei este ce m
find a new taste for the world
I'm in love, and my dreams have taken me - Sunt ĂndrĂfgostit Ăyi visele mele
m
I'm lost, I'm confused when she's away

My love took my heart with her, my love I could never forget her - Iubita mea mi
my love, all my hope is to live with her, with her
my love took my heart with her, my love I could never forget her - Iubita mea mi
my love has my wound and my cure, my cure

My love took my heart with her, my love I could never forget her - Iubita mea mi
my love, all my hope is to live with her, with her
my love I could never forget her

My love took my heart with her, my love I could never forget her - Iubita mea mi
my love, all my hope is to live with her, with her
my love took my heart with her, my love I could never forget her - Iubita mea mi
my love has my wound and my cure, my cure
