Yehemak fi eh, amot wala a3esh dakalam malaksh
tes2alny feeh
Why would you care, if I die or live those stuff
you can't ask me about
W hat2oly eh, daelly beyt3'ayar akeed beyban 3aleeh
And what will you say, who is changing for sure it
appears on him
Yehemak fi eh, amot wala a3esh dakalam malaksh
tes2alny feeh
Why would you care, if I die or live those stuff
you can't ask me about
W hat2oly eh, daelly beyt3'ayar akeed beyban 3aleeh
And what will you say, who is changing for sure it
appears on him

Meen elly 2odamy da wa7ed ma3rafosh
Who is in front of me, he is someone that I don't know
Maba2etsh a5af 3aleeh asebo aw agra7o
I am not worrying anymore to leave him or hurt him
3osha2 keteer et2ablo 3ady makamelosh
A lot of lovers met and they didn't go on
W aho kol wa7ed ye3mel elly yeraya7o
And each one can do what he finds it better for him

Nefsak tesma3 eh, shwayet kalam teraya7 damerak
beeh
What do you want to hear,
some words to make you feel that you aren't wrong
W hayfeed beeh, roo7 shof 7ayatak gar7 2alby
same7tak feeh
And how it would be useful,
go and see your life, the wound in my heart I forgave
you for it

Meen elly 2odamy da wa7ed ma3rafosh
Who is in front of me, he is someone that I don't know
Maba2etsh a5af 3aleeh asebo aw agra7o
I am not worrying anymore to leave him or hurt him
3osha2 keteer et2ablo 3ady makamelosh
A lot of lovers met and they didn't go on

And each one can do what he finds it better for him
