Oh Oh Oh Ooh oo Oh Oo Wooooh

Yeah, Yeah, Yeah, Yeah, Nana Nana Na

Big Brother is watching you

And there's nothing much that you can do

His eyes are looking everywhere

Look out, look out, look out, look out

Big Brother is in disguise

You never ever see his eyes

But still you know that he's around

Look out, look out, look out

Look out, big brother is watching you

Big brother is watching you

And there's nothing much that you can do

Look out, big brother is watching you

Big brother is watching you

Look out

Big Brother is everywhere

About love & life he doesn't care

Make one wrong step and he crawls out

Look out, look out, look out, look out

Big Brother just takes control

This is your last and final goal

Before you know he rules the world

Look out, look out, look out

All he can do...

All he can do...

Oh yeah, oh yeah
