My halo's broken fallen down all around my toes  
And I feel the only way for me to get it back above my  
head  
Is dig a hole, roll myself in, cover me up  
And tell every fair weather friend I can think of  
It's gonna be great  
So go away

Since being justified  
It's just as if I'd  
Never sinned at all

It's the unsoiled soul that sees the face of God  
It's his face I am seeking after all  
Salvation makes a subtle sound for those with ears to  
hear  
Is the sound that you hear the sound that I hear?

Since being justified  
It's just as if I'd  
Never sinned at all

Salvation makes a subtle sound  
For those with ears to hear  
Is the sound that you hear the sound that I hear?  
I hear I hear I hear I hear  
I hear I hear I hear I hear I hear I hear  
I hear
