"Love Killer"

One, two, three, here comes the danger
Love's not free it's not a legend
I can't stand into the fire
I can't wait my burning love goes

Fightin' for the right to live my
Life the way I feel
Waiting for the weapon then I'll
Shoot him to the heart

Love Killer (oh oh oh love killer)

In my dreams I feel like a rambo that killed the
Love Killer (oh oh oh love killer)
And the world will scream to me louder so happy

It destroys the generations
It is like the radiation
To the core I'll put my finger
For the shore we swim together
