Fill me with ecstasy

(Still in my heart... here in my heart....)

Ohh... (Still in my heart... deep in my heart....)

Why, why did you have to go away  
Always hard to stay  
Tears keep on flowing over, over you

Tell me, was this really true romance  
Or just a fantasy  
I can't believe what we've been through  
You're hangin' out with someone new

Still, you're in my heart  
Baby, in my heart  
Always in my heart  
You'll never leave my heart

Still, you're in my heart  
Deep down in my heart  
Fill me with ecstasy

Ohhhh.....

Oh baby  
No baby  
Can't let you go

Or was it just a fantasy (just a fantasy)  
What I thought could be reality  
Oh baby, can't you just see (can't you just see)  
That I can't go on living without you

Still, you're in my heart  
Baby, in my heart  
Always in my heart  
You'll never leave my heart

Still, you're in my heart

Deep down in my heart  
Always in my heart  
When will I ever break free

Still in my heart...
