I'll be standing with the lights on  
I'll watching as you cross the way around  
I won't be the one who gave up after all  
It will never ever be like vespers goodbye

(Chorus):

I'm standing with thousands in time  
We'll find a way out  
I'm standing with thousands in time  
Who believe it's not a crime

You'll be guiding our way out  
You'll be mastering our plan  
We'll be thanking we're safe and sound  
We'll be more than the gift we're seeking to find

(Chorus):

I'm standing with thousands in time  
We'll find a way out  
I'm standing with thousands in time  
Who believe it's not a crime

(Bridge):

Hanging sober, walking high  
My destination is falling by  
I have gone the wrong way around  
See how I make my way through the crowd

(Chorus):

I'm standing with thousands in time  
We'll find a way out  
I'm standing with thousands in time  
Who believe it's not a crime
