Since I met you, baby
My whole life has changed
Since I met you, baby
My whole life has changed
And everybody tells me
That I'm not the same

Since I met you, baby
I'm just happy as can be
Since I met you, baby
All my troubles fade away
And everybody tells me
That I'm not the same

I don't need no doctor
To tell my troubles to
And I don't need nobody
To tell my troubles to
'Cause since I met you, baby
All I need is you

'Cause since I met you, baby
All I need is you
