These words are burning inside me
Spent years in liquid harmony
This dream is who I wanna be (youth and whiskey)
I grew from those who hate me
Stand fast to a razor blade symphony
Cigarettes and lyrics made me (youth and whiskey)

Can you see
Can you see me
I'm strong from what they made me
These angels who carry me
They taught me youth and whiskey

Baptized of smoke and misery
A loaded gun and a bastard's history
My temple's for the crazy (youth and whiskey)
No sorrow left inside me
Celebrate the moments behind me
This shot is holy mary (youth and whiskey)

Can you see
Can you see me
I'm strong from what they made me
These angels who carry me
They taught me youth and whiskey

(Hey, hey) Brothers
(Hey, hey) Fighters
(Hey, hey) Bottles
Living for another round
(Hey, hey) Lovers
(Hey, hey) Liars
(Hey, hey) Throttle speeding towards a blackout

BLACKOUT

Can you see
Can you see me
I'm strong from what they made me
These angels who carry me
They taught me youth and whiskey
