"Everlasting Light"

Let me be your everlasting light.
Sun when there is none.
I'm a shepherd for you,
and I'll guide you through.
Let me be your everlasting light.

Let me be your everlasting light.
In me you can confide, when no one's by your side.
Let me be your everlasting light

Oh baby, can't you see?
It's shinin' just for you.
Loneliness is over,
Dark days are through
Yeah, through.

Let me be your everlasting light.
A train goin' away from pain.
Love is the coal, that makes this train roll.
Let me be your everlasting light.

Let me be your everlasting light.
Let me be your everlasting light.
Be your everlasting light.
