Said the moon was ours, yeah  
Said the moon was ours, the hell with the day  
The sunlight is always gonna take love away  
Brings up suspicions and alibies  
But I can see blue, tear-blinded eyes  
Lies, lies, lies, ohh lies

I got a stone where my heart should be  
I got a stone where my heart should be  
And nothing I do will make you love me  
I'd leave this time, break all my ties  
Be no more use for any disguise  
Lies, lies, lies, ohh lies

I wanna die without pain  
I wanna die, oh, without pain  
All this desception I just can't maintain  
The sun, moon, the stars in the sky  
It'd hurt me too bad if you said goodbye  
Lies, lies, lies, ohh lies
