Uh

Well the crooks are out  
And the streets are grey  
You know I wouldn't have it  
Any other way  
Yeah  
Your mothers words  
are ringin still  
But your mother  
don't pay our bills

Yeah

A sinister kid  
Is a kid who  
Runs to meet his maker  
A child thats sprinting  
The day hes born  
Straight into his Makers arms  
And thats me, thats me  
The boy with the broken halo  
That's me, thats me  
The devil wont  
Let me be

I've got a tortured mind  
And my blade is sharp  
A bad combination  
In the dark  
If I kill a man in the first degree  
Baby would you  
Would you flee with me?

Yeah

A sinister kid  
Is a kid who  
Runs to meet his maker  
A child thats sprinting  
The day hes born

Straight into his Makers arms  
And thats me, thats me  
The boy with the broken halo  
That's me, thats me  
The devil wont  
Let me be

Alright

A sinister kid  
Is a kid who  
Runs to meet his maker  
A child thats sprinting  
The day hes born  
Straight into his Makers arms  
And thats me, thats me  
The boy with the broken halo  
That's me, thats me  
The devil wont  
Let me be
