Stack shot Billy  
In the back of the head  
Stack made sure  
Billy Lyons was dead  
.45 pistol  
Down in Stack's right hand  
Sent him away  
To the promised land

Stack shot Billy  
.45  
Stack shot Billy  
Billy laid down and died

Stack Lee had  
Himself an evil brain  
Loved his gun  
And his sweet cocaine  
Stack got quiet  
When the shadows fell  
Knows soon enough  
That he'd burn in hell

Stack shot Billy  
.45  
Stack shot Billy  
Billy laid down and died

Stack shot Billy  
In the back of the head  
Stack made sure  
Billy Lyons was dead  
.45 pistol  
Down in Stack's right hand  
Sent him away  
To the promised land

Stack shot Billy  
.45  
Stack shot Billy  
Billy laid down and died
