Can't explain
No I cannot contain
Control
You have all my soul
Its all I do
Is baby dream of you
Fallin down
When you're around

You're the only one
You're the only one
I'm so wrapped up in your gaze
Hoping this is just a phase
But when all is said and done
I know you are still the one
You're the only one
You're the only one
Cupids bow has sprung
Now you're the only one

Mystery
Is what this is to me
Given up
I'm having no luck
Like a ghost
The one that I love most
Disappears when I get near

You're the only one
You're the only one
I'm so wrapped up in your gaze
Hoping this is just a phaze
But when all is said and done
I know you are still the one
You're the only one
You're the only one
Cupids bow has sprung
Now you're the only one

Uh uh only one
(Repeat x7)
